Emergency Standby/Alternate	Mike Stephens		
-----------------------------	---------------	--	--

- 1 Tournament Committee assignments for 2024 are again in Cycles of four consecutive weeks instead of one calendar month to make it equitable.
- 2 This Tournament Committee Schedule and the document outlining the Tournament Committee's Duties will be promulgated to each committee member with their assignment letter and also published on WEDGE, the club's website at [vbgolf.club](http://vbgolf.club).
- 3 Once this Tournament Committee Schedule with these assignments is promulgated to the assigned committee members AND the roster is published on the website for the year, the members of each 3-man committee are then responsible for arranging their own substitutes if needed, and for notifying their Cycle's Tournament Committee Chairman, the Past President and the Club Secretary of any and all changes so they can keep an accurate record and update the committee schedule that is posted on the website.
- 4 Pairings Writers are scheduled this year for four consecutive weeks to mirror the TCCs. Any changes required after publication of this schedule must be reported to and coordinated with Director of Scheduling Bob Person, and communicated to the Secretary for update of the published schedule.
